

Make It a Merry Season for Kids!

Our October holiday card kit campaign rewards you and Operation Kids® too!

This October you can get a beautiful holiday-themed My Originals™ card kit at a discount while helping children all over the world at the same time. The Merry Season for Kids promotion reflects the spirit of the season by helping you remember loved ones with homemade cards and by helping children in need with a portion of the proceeds from your card kit.

FROM OCTOBER 1–31, 2007, when you place an order of \$25 or more, you can purchase your choice of one of two holiday My Originals card kits for only \$10.* The two card kits available are the Peaceful Season card kit (X8613A) and the Beautiful Holiday Photo Greetings card kit (X8614A), each with a retail value of \$12.95. My Originals card kits are perfect for busy people because the preprinted card bases and the “just pop it on” My Stickease™ artwork allow you the satisfaction of making cards in just minutes!

The card kit discount itself is enough to make you feel good; but as an added bonus, \$5 of each promotional card kit purchased will be donated to Operation Kids®, our charitable partner dedicated to improving the lives of children around the world through healthcare, education, safety and social programs.

As an added bonus, once you reach the qualifying purchase for this promotion, you will also qualify for 25% off on the October Stamp of the Month, Magical Season! Make this holiday season the best ever by giving beautiful holiday cards, knowing your purchase is assisting children all over the world!
